

> GET TO KNOW CAP

As the oldest and largest AIDS service organization in Oregon and Southwest Washington, CAP strives to support and empower all those with or affected by HIV, reduce stigma, and provide the LGBTQ+ community with compassionate healthcare. With offices in Portland and Vancouver, WA, CAP serves all of SW Washington and the Portland Metro area.

> GET INVOLVED

CAP's strength comes from the community banding together, united by a common cause. Together, we can use our collective strength to fight against stigma, educate, and heal our community.

DONATE

CAP relies on your generous donations to improve health and change lives.

Want to donate? Visit cascadeaids.org or call 503.278.3853

VOLUNTEER

We could not do our work without the support of our committed and vibrant volunteers. Our goal is to offer volunteer experiences that are fulfilling, meaningful, and, most important, help the people we serve.

Want to volunteer? Call 503.223.5907

> GET TESTED

Knowing your status gives you the power to make informed decisions. CAP offers free, rapid, and confidential HIV and STI testing, as well as assistance with PrEP and health insurance navigation, so you can stay healthy.

> GET CARE

Opened in 2017, Prism Health is CAP's primary care medical practice, designed to meet the unique needs of Portland's broader LGBTQ+ community through specialized, affirming, and inclusive healthcare services.

CAP's programs support and empower all those living with or affected by HIV

> GET SUPPORT

CAP can help you get set up in the programs you need to live a balanced life with HIV. We offer housing and rental assistance, counseling, employment assistance, culturally-specific support groups for HIV+ people of color, and an annual residential summer camp for children affected by HIV/AIDS.

Want to learn more? Call 503.223.5907

> GET EDUCATED

We strive to raise awareness, remove barriers, and improve access for everyone by conducting community education and presentation sessions, connecting communities to vital resources, and assisting individuals with insurance enrollment and navigation.
